## Wine Storage at The Deanery Bar, Kitchen and Wine Cellar

Our unique storage facility offers individual wine cages suitable for any size wine collection. Here you can cellar your collection in a professional temperature controlled facility in the heart of Melbourne's CBD.

You are able to collect and deposit wine at any time during our bar opening hours. You have convenient access to your collection and complete control over your inventory.

### Features

- Climate controlled wine storage (15°C and 60-70% humidity)
- Individual cellars with your own lock and key
- Fabulous CBD location
- Long hours of access during bar opening hours: Monday - Saturday until late
- High level of security: insulated vaulted building, key access to cellar space and personal padlocks to individual storage units
- Easy pick up and delivery with vehicle access right to the door
- Zero entry and exit fees

For further enquiries phone or email Glenn Fletcher

Cheers!
